

I want to thank
all of you for being
so special to me. You
all have gone out of your
way to make me feel
comfortable in your office.
From the first time I
met you all, I knew that
I would like you. You all
have great personalities!!
It makes a huge difference
too, because not all
doctors and their staff are as
nice as you guys. Thanks
again for all that you do!

Dr. Howell & Staff,

May every kindness
you share with the world
find its way back to you.

Happy Holidays
and Happy New Year

I wish you and your families
a very blessed Christmas!

God Bless,
Regina Tolison
